Mariani Iberica Organization Announcement

Dear customers and partners,

With a great pleasure, always in a view of internationalization, we are pleased to announce the new Technical / commercial structure for European area.

Thus, was born "Mariani Iberica" with an office in Madrid, Spain, where a staff of 2 people is already on.

Mr. Miguel Rasero as branch manager and Technical - commercial support;
Mr. Gonzalo Ayuso as a mechatronic technician

The whole team has an important background in the field of packaging and industrial automation which, with the support of a dedicated internal staff, will guarantee 360 ° support in the Iberian area.

This new reality represents a further important step for Mariani Group, to be more and more at your side by providing our professionalism and knowledge to improve and optimize your everyday work.
